Transfer Student Enrollment

Enrollment is available for students wishing to transfer to the school after they have withdrawn from other barber and cosmetology schools both in and out of state. The school does not recruit students already attending or admitted to another school offering similar programs of study.

The student must submit a certification of hours prior to signing the enrollment agreement. Credit for previous training and education in licensed training program may be granted. The acceptance of transfer hours is at the discretion of the school. The student must meet all regular admission requirements. A transferring barber/cosmetology student must enroll for a minimum of 300 hours.

All transfer students must be interviewed by the school representative. Students who are transferring more than 750 hours may be required to take an entry test (both theoretical and practical) and be evaluated by an instructor prior to starting formal learning at School. After the interview and/or evaluation have taken place and the interview/evaluation form completed, the school representative/instructor will meet with the School Director to discuss the results. At this time the School Director will determine how many hours the student will need to complete and what schedule of classes will benefit the transfer students. Transfer student contracts are calculated on an hourly basis. The current school tuition rate and other regular charges will be applied.

Transferring hours including online course hours from VIBE Barber College to another institution may be limited. Transfer of credit is controlled by the receiving institution. Accreditation does not guarantee transferability.

RE-ENTRY POLICY

Students that have withdrawn and wish to reenter school, must contact the school office for approval to reenter. Determination for reentry will be made on an individual basis. Any hours accumulated, and paid for, will be honored for five (5) years, any remaining hours will be charged at the current tuition rate. In addition, the student will have to pay a \$150.00 reentry fee and first month tuition payment.

Admission Procedures

Each student is provided before enrollment with a school catalog and written pre-enrollment information in English accurately describing:

- Pass/fail rates of school graduates on licensing examinations;
- Compensation a successful graduate may reasonably expect;
- The physical demands of practicing the profession; standing for hours, hand/arm strength
- Safety requirements for the profession;
- Tennessee Board of Cosmetology and Barber Examiners' licensing requirements;

The school catalog and pre-enrollment information are readily available on the school website.

Upon admission, the student admitted or the legal guardian if the student is a dependent minor and the School Director sign an enrollment agreement in English. The agreement complies with the NACCAS Enrollment Agreement Requirements. A copy of the agreement is provided to the student or the legal guardian if the student is a dependent minor. Another copy of the completed enrollment is maintained by the school.

All students are given a complete orientation to help acquaint them with the school. This orientation is presented on the first day of the class.

The above admission requirements, policies, and procedures are applied to all the programs offered by the school.

ATTENDANCE POLICY

An attendance schedule is established for each student on the first day of enrollment. The schedule can be changed subject to student's request in writing and approval by the School Director. Students are expected to attend classes as scheduled.

Students are expected to contact the school on the day that they will be absent. For extended absence (more than seven days), a written excuse should be provided. Excessive absences without a written excuse may provide sufficient basis for suspension/termination. In the event a student is absent from class for thirty (30) consecutive days without a sufficient excuse he/she will be immediately terminated.

Students are expected to maintain at least 70% attendance rate. Failure to maintain an 80% attendance, the student will be given an acknowledgement letter along with a summary of their attendance. Once the student has failed to maintain a 75% attendance rate without the proper documentation or excuse, the following sanctions will be given to the student by a School official:

Verbal Warning: Upon failing below 75% attendance, the student will receive a verbal warning from a School official.

Written Warning: Once a student drops to a seventy percent (70%) attendance, a formal meeting will be scheduled with the student, staff official, and or Director to discuss the seriousness of the situation. A formal letter will be issued to the student via in person or email. Documentation will be placed in the student's file.

Suspension/Probation: During this period, the student's attendance will be closely monitored on a weekly basis. Continued failure to meet the attendance requirement will result in the initiation of a probationary or suspension period. The student will have a choice between being on probation or have a suspension. If the student has not returned to class within 14 days, an email will be sent of a suspension in lieu of a meeting. Documentation will be placed in the student's file.

- Probation: Student continues to attend school, weekly audits will be conducted until student has satisfactory attendance.
- Suspension: Student is suspended from attending school for a selected amount of time to get affairs in order.

Termination: Termination entails a permanent separation from the school. The imposition of this sanction is a permanent bar to the student's readmission to the school. If a student fails to meet the attendance requirement even after the suspension, termination may be necessary. This decision will be made at the discretion of management after all relevant factors.

For the purpose of tracking student attendance, the school utilizes a computerized time clock system. Each student is provided with a clocking number. It is the student's sole responsibility to clock in and clock out on the day he/she attends classes. In case students miss a clocking on their time card, they should notify the instructor/administrative personnel immediately of their attendance time.

The time clock is legal verification of hours. Students are required to clock in upon arrival and clock out upon departure each day. Failure to follow proper clocking procedures may result in a loss of hours. In case students miss a clocking, they should notify the instructor immediately of their time. The time must be corrected on the same day by the instructor with her/his initial. Each student is responsible for clocking in and out.

Students are given 30 minutes for lunchtime and a 15-minute break every day. Students can leave the school during their lunchtime. Students who use their lunchtime off the school over the above-specified time frame will be subject to dismissal and/or probation and/or suspension/termination.

The students' attendance hours will be computed once a month based upon the students' clocking time report. The hours will be accumulated and reported to the State Board at the end of the month. The students will also be informed of their earned hours every month.

The student agrees to provide the school with excuses for all absences and variations from his/ her established schedule. Students must call the School if they are unable to attend class. Absences will be tracked on a continuous basis. Excessive absences without a written excuse may provide sufficient basis for termination.

Satisfactory Academic Progress Policy

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Academic year goes as follows:

	<u>FULL TIME-25Hrs</u>	<u>PART TIME-15Hrs</u>
Master Barber / Master Barber Hybrid / Cosmetology = 1500- hrs	60 academic wks	100 academic wks
Master Barber Instructor = 300-hrs	12 academic wks	20 academic wks

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Master Barber/Master Barber Hybrid and Cosmetology:

450 hrs (18 academic wks), 900- hrs (36 academic wks), 1200- hrs (48 academic wks) (actual) hours

Master Barber Instructor: 150-hrs (6 academic wks) (actual) hours

*Transfer Students- Satisfactory Academic Progress evaluations are based on actual contracted hours at the institution. Occurs midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 70% (69.5 – 69.9 will be rounded to 70%) of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% (69.5 – 69.9 will be rounded to 70%) cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	WEEKS	SCHEDULED HOURS	MAXIMUM TIME ALLOWED	
Master Barbering/Cosmetology (Full time, 25 hrs/wk) – 1500 Hrs			90 wks	2250hrs
Master Barbering/Cosmetology (Part time, 15 hrs/wk) – 1500			150wks	2250hrs
Hrs Master Barbering Instructor (Full time, 25hrs/wk) – 300 Hrs			18wks	450hrs
Master Barbering Instructor (Part time, 15hrs/wk) – 300 Hrs			30wks	450hrs

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 70% of the scheduled hours. Students who exceed the maximum time frame will be allowed to continue on a cash basis.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a cumulative grade average of 70% or above and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Numerical grades are considered according to the following scale:

90 - 100	EXCELLENT
80 - 89	VERY GOOD
70 - 79	SATISFACTORY
69 - 0	BELOW STANDARDS – UNSATISFACTORY

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations and can request a copy at any time with a written request. A copy will be furnished within 5 days. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on **academic** probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy

standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within 15 calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance.

The student must submit a written appeal to the school on the designated form with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

NONCREDIT AND REMEDIAL COURSES

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the institution.

VA will recoup ANY overpayment from you, and they will do it with a vengeance. Changes in class scheduled hours after the last day of the month may result in the retroactive loss of benefits unless the DVA finds mitigating circumstances involved in the change. Loss of benefits could revert back to the beginning of term. We will not deny access or penalize any student for using Chapter 31 or 33.

Students who have been granted deferments are expected to make timely payments on their outstanding tuition and fees balance once education benefits are being delivered, and eligibility for such deferment shall terminate if the student fails to abide by any applicable rule or regulation, or to act in good faith in making timely payments. This notice is published pursuant to Public Chapter 279, Acts of 2003, effective July 1, 2003.

Deferment is not needed for the NEW Post 9/11 Chapter 33 G.I. Bill®.

If you withdraw from or stop attending the program the DVA may make a determination that you have a debt and repayment may be required. This may also result a debt with VIBE Barber College. You will not be allowed to attend or gain any additional hours until all your financial obligations to VIBE Barber College are met. You must be a certification/licensure seeking student. Generally, the DVA will not pay for programs that are not required toward your graduation requirements. Benefits are not payable for more class time for lack of satisfactory progress in the classroom that have already been successfully completed during regular scheduled program time. It is your responsibility to ensure that program taken complies fully with DVA requirements.

Academic Advising is an important process for any VIBE Barber College student. It is very important for all veteran students to realize that there is a distinct difference between academic advising and DVA certification. You must maintain satisfactory progress in accordance with school policy. If you are having difficulty with a particular class, please inquire about tutorial assistance. It is your responsibility to have official copies of all transcripts sent to VIBE Barber College; you should initiate this process immediately upon initial registration for an evaluation of the amount of credit that can be allowed toward your current program of study. In addition, you may submit supporting documentation of any military training or experience for evaluation purposes. If, after 60 days, VIBE Barber College has not reported to the DVA the amount of credit you have been awarded for prior training and education, the DVA may discontinue your educational benefits until report of prior credit has been made. VIBE Barber College will not submit certification.

Chapter 33 (Post 9/11) Policies

DVA tuition and fees are paid directly to the school. You are responsible to the VIBE Barber College for any/all tuition not covered by your Post 9/11 benefit. It is your responsibility to keep the DVA informed of your mailing address and direct deposit data. You should keep all correspondence received from DVA to include your eligibility notice and award letter. The award letter will provide payment information, self-verification procedures, remaining entitlement, and time period to use the benefit. DVA payments other than tuition and fees are made in arrears.

Tuition and Fees: Chapter 33 (Post 9/11) will pay a percentage of your tuition and fees for classes that meet degree requirements in your educational program on file with the VIBE Barber College's Veteran Services Office. The percentage is based on the time you spent on active duty after September 10, 2001. The percentage will vary from 40% to 100%. Please go to the GI Bill® website www.gibill.va.gov for more information.

VIBE Barber College will submit enrollment information for all eligible enrolled students within 5 business days of the 60 day program start date. (Any subsequent student enrollments with in the 60 days will be certified within 5 business days of the student enrollment date.) This initial certification will not include tuition and fees. This will allow you to receive your monthly stipend, if applicable, in a timely manner.

Any covered individual will be able to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a "certificate of eligibility" can also include a "Statement of Benefits" obtained from the Department of Veterans Affairs' (VA) website

– eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

VIBE Barber College will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

Traditional Programs: VIBE Barber College will submit your tuition and fees in a second certification during the fourth week of program after session start date. This will prevent the necessity for amended certifications due to but not limited to the following:

- Posting of grant or scholarship funds specific to tuition and fees to your account.
- Posting of Department of Defense Tuition Assistance funds to your account.
- Posting of Tuition Assistance funds from a private corporation (your employer) to your account.

STUDENT COMPLAINT/GRIEVANCE POLICY AND PROCEDURES

It is the desire of VIBE Barber College to have a complaint free school. However, occasionally may arise where a student feels his/her problem has not received adequate attention or the student feels the institution's instructors have made an improper decision.

Students and staff urged to make every effort to resolve disputes informally. Informal resolutions are much faster and usually much more satisfactory to outcomes than formal resolutions. In the event resolution of a problem is unsatisfactory, the student shall follow the following procedure for filing a formal complaint.

1. Student Complaint Form

The student must begin the complaint process by completing a Student Complaint Form available at the school administrative office. The student should provide a detailed description of the problem and any necessary history. The student should detail what attempts have been made to resolve the problem and what the outcomes of those attempts were. The student is encouraged to recommend a resolution in the form. The student is to turn the form in to the Lead Instructor, Esther Kelly.

2. Documentation of Date Complaint Received

The School Director should put the date the complaint was received on the Student Complaint Form and sign her signature under the date acknowledging both receipt of the complaint and the date. One of the acknowledged copies is then returned to the student.

At this time the director shall discuss the complaint with the student to assure a thorough understanding of the problem.

3. Investigation

The School Director shall have ten (10) school days to investigate the complaint. During this time the director should discuss the problem that brought about the complaint with staff members and anyone else necessary to reach an understanding of the situation and determine a resolution.

4. Written Report

The director shall have five (5) school days from the end of the investigative period to reach a proposed resolution and write a report detailing the results of the investigation and the recommended resolution.

5. Student Conference

The director shall have five (5) school days after the end of the written report period to have a conference with the student. During this conference the director shall tell the student of the recommended resolution and may explain how that decision was reached, the director shall also write the date of the conference on the original complaint form and both student and director shall sign indicating the conference was held. The decision of the School Director will be final.

If the complaint is not settled at the institutional level, the student may contact the Tennessee Higher Education Commission, Nashville, TN 37243-0830; Telephone number 615-741-5293.
